The folded b

A bent strip forms the stem and open counter of a lowercase b.

Logo placement

Use the full signature for first mentions.
Use the mark for avatars and browser tabs.

Leave a stem-width of space around each logo.
Below 120 px wide, switch to the mark.

Color variants

On paper, use the terracotta mark and ink type.
On dark or terracotta fields, use the cream logo.

For one-color printing, use the ink version.
